# Online care options are part of the Surest plan.

Access to a virtual health network may help reduce out-of-pocket costs, improve outcomes, and save time and money. Search for these conditions within your employer's pre-member site, [Join.Surest.com](https://Join.Surest.com), to see how it works.

## Virtual visits

Access a virtual network of licensed physicians and behavioral health specialists through Doctor On Demand. Available 24/7 on demand or by appointment, get help with colds, allergies, UTIs, prescription refills, anxiety, stress and more.<sup>1</sup>

## Virtual visits

Receive care—for less—without leaving home with K Health. 24/7 access to doctors for colds and coughs, asthma, allergies, rashes, sinus infections, UTIs, chronic heartburn, migraines and more.<sup>2</sup>

## Second-opinion services

2nd.MD provides access to top medical experts for second opinions. Not sure you need that surgery or have questions about a treatment? 2nd.MD can help.<sup>3</sup>

## Quality vs. quantity

It may be helpful to know how the Surest plan assigns prices to health services. Prices (sometimes called copayments or copays) are low for what we consider higher-value options, such as those based on quality, efficiency and overall effectiveness of care. **When you check prices before seeking or scheduling care—you have the power to potentially save money.**
