# Who is Endeavor?

High Quality Early Learning  
and Child Care

**Blackstone Preferred Partner  
Discount Program  
2024 - 2025 School Year**

**Endeavor Schools** is a growing network of private schools and early learning centers, united by a shared belief that families deserve schools they can trust. We are deeply committed to the safety, well-being and development of every child we serve.

While each of our schools is unique—tailored to meet the specific needs of its local community—our dedication to excellence remains consistent across all campuses.

**110 Schools  
Nationwide**

**14  
States**

**+21k Student  
Capacity**

## Our LEAPS of Excellence

### Learning Environment

Creating inspiring indoor and outdoor learning environments that communicate a sense of belonging for each child while inviting exploration, collaboration and inquiry.

### People

Acquiring and developing a team of highly-qualified, educated, experienced, motivated and connected educators and professionals.

### Find a School Near You Here

### Academics

Driving outstanding, measurable results and proven academic achievement by utilizing research-based teaching practices that are rooted in relationships and harness children's natural desire to learn by tapping into their interests.

### Security

Employing rigorous safety requirements, comprehensive emergency plans and training by former Secret Service agents to ensure the protection and highest-quality standards of security and safety are met and continuously monitored at each of our schools.

**Our LEAPS of Excellence provide the focus and guidance  
necessary to achieve extraordinary results in all that we do!**

## TOP-RATED APP

The Sensi mobile app for iOS and Android give you total on-the-go access to adjust your thermostat from anywhere, anytime.

## SMART HOME COMPATIBLE

Sensi works well with Amazon Alexa, Google Assistant and Samsung SmartThings smart home platforms.

\* Discount does not apply to Sensi Touch smart thermostat (Models: ST75, ST75W, ST75S)

1 EASY INSTALLATION: Systems that require a common wire include heat-only and cool-only systems.

2 PRIVACY PROTECTION: For full details, review the Sensi Privacy Policy at [/sensi.copeland.com/en-us/legal](https://sensi.copeland.com/en-us/legal). Note: if you sign up for a program with a third party, such as a utility or controller, details and terms for that program are between you and the third party, not Copeland, and may include additional data collection. Certain add-on services require additional data to operate as intended. These services are not required and are optional.

3 ENERGY SAVINGS: Calculated by comparing operation time for a nationwide sample of Sensi users with temperature adjustments averaging 4° in comparison to users with no adjustments. Savings vary based on equipment type/condition, insulation, climate & temperature adjustment size/frequency.
